orrespondence of the Richmond Dispatch.] WHERE DOES THE MONEY G . TO? - GRANGERS --WHIPPING IN THE COUNCIL.

HANVILLE, VA., April 10, 1875. The sales of tobacco at the warehouses for last month were \$382,560; for the some month last year, \$207,326; excess in tovor of 1st month, \$175 234. The sales for ist month exceed the sales for the month receding by \$63,325. The sales for the last lares months have amounted to over one million of dollars. Where does the money 20 to? Is any of it being converted into ived capital? It may not seem becoming in town-man, who, let him work as he may, s often charged by the countryman with eading a leisurely life, to preach contentment to the countryman; but it does produre some disquiet when he hears every now and then that it is not unfrequently the case that planters are applying at the warehouses for advancements. What is the matter? The Border Council of the Patrons of

Husbandry were in session here yesterday. and an adjourned session was prolonged to a life bour of last night. Trying to read the otherwise, I thought I could see thereon impression of honest satisfaction, and also of the though fulness of men when considering very important matters. They say they have obtained stock enough to ecure the charter for their bank, and that they expect to organize it here on the 4th May. The officers of the Council for the Mittermare: Master, Azariah Graves, Lo-Parville, Va.; Steward, C. T. Sutberlin, Brooklyn, Va.; Lecturer, John Williamson, Locust Hill, N. C.; Chaplain, B. P. A TEXAS DISCOVERY .- An old man down in Cooke county, Texas, has made a curious discovery, if a correspondent of the Gainesdifferent colors, embracing all the files and shades of the rainbow, and verying in size from that of a man's fist to a buckshot. Their weight seems to be about that of granite or other hard stone. The old man who showed them told the veritable G. W., who wrote the account, that he made these stones if he was a little better fixed, make a wagon load of the same in a few weeks. In a dark room the stones are very luminous, and seem to twinkle like the stars on a clear night. The coal is reduced in bulk about one-fourth in the wonderful transformation, while it increases in weight from 300 to 400

[This would seem to be an invention rather than a discovery; or perhaps it is both.]

GERMANY .- Berlin, April 9 .- The Post,

A GENERAL SURVEY - COUNTRY AND CITY-THE THREE CLASSES-REFLECTIONS-OUR ROOM

Dear Carper,-The advantages of going to the Legislature are many. The least of them is the six dollars a day, as it is only never be taught them. Some of them come with saddle bags and leave with new trunks; some come blowing their noses with their fingers and leave with a bandkerchief in personal faith, and entirely orthodox the pocket; some come eager for an opportunity to vote against cities and city people, and leave quite in love with theatres, city life, and a beaver hat. Some come bewoman for every day and a calico for Sunsilk in their pocket and a pound of hair! So much for the demoralizing influence of con-The members from the town and cities,

MINERAL WATER.

RUCK BRIDGE ALUM SPRINGS, VIRGINIA.

JAMES A. FRAZIER, PROPRIETOR.

THE WATER OF

These MINERAL WATERS have an established reputation for very high curative virtue in all the following classes of diseases, and as being an AB-SOLUTE SPECIFIC in several of them, viz : Scrofula and all the forms of glandular swellings and cutaneous eruptive disease, Erysipelas, Tetter, and cutaneous eruptive disease. Erysipeias, Tetter, Eczema, &c., Chronic Diarrhœa and Dysentery, Dyspepsia, Bronchitis, Chronic Thrush. Affections of the Kidnevs and Bladder, Dropsy, Piles, and, in connection with the Hot Bath, Chronic Rheumatism. In all atæmic condutions of the system and broken down states of the constitution, loss of appetite, and general nervous prostration, their powers and virtue as a hestorative may be safely pronounced to be without a known rival amongst the mineral waters of the world. They are especially indicated in the whole class of allments peculiar to the female constitution.

This water is pucked in cases con'aiving one dozen half-gallon bot'les. Price, \$10 per case.

The saits of the water (usually called Hockoridge Alum Mass) is obtained by the evaporation of the water at the Springs, retaining the properties of the water, can be used for its reproduction, and is very convenient to persons whose homes are so remote from the Springs that cost of transporting the water is very large, or to those who wish to use the water when travelling, as it can be reproduced instantly. The matts can be sent per mail. Price, \$2 per ounce.

Lescriptive pamphlets can be obtained of the agents gratis unon application.

Supplies received direct constantly on hand for sale by PURCELL, LAUD & CO., Agents Virginia Springs Water, mh 8-M&StApl1 Richmond, Va. Eczema, &c., Chrenic Diarrhœa and Dysentery,
